Product Description

Pres-On 700 & 800 Series Hook & Loop Fasteners are manufactured with woven nylon yarns bound together by an acrylic coat. Our hook & loop systems are available in two formats: a non-adhesive backed version (minimums apply) and an all-purpose rubber-based pressure sensitive adhesive version suitable for use on a wide variety of substrates.

HT & LT 700: Hook & Loop Pressure Sensitive Adhesive Tape

HC & LC 800: Hook & Loop Pressure Sensitive Adhesive Coins

NOTE: Hook & loop are ordered separately. Custom lengths are available for the 700 series.

Applications

Pres-On 700 & 800 Series Reusable Hook & Loop Fasteners work for hundreds of everyday applications, ranging from commercial and manufacturing to military solutions. Both formats can be easily sewn to fabrics or applied to rigid substrates via our pressure sensitive adhesive backings.
